An Inspired Collection

Uyuni Lighting draws its name from the magical reflections of Bolivia’s Salar de Uyuni. It was beneath the breathtaking, star-filled skies that our designers found inspiration for the Uyuni LED Candles. They envisioned capturing the beauty of distant galaxies and bringing that wonder into homes worldwide.

More than just a mesmerising glow, Uyuni Lighting Candles create a sanctuary, free from harmful emissions. Crafted with care our products prioritise your well-being while delivering elegance and safety.

Handcrafted with premium materials and cutting-edge 3D flame technology, our LED candles with the *Signature Flicker™* are designed to exceed expectations.

This Autumn / Winter season we are proudly introducing our radiant three stripe candles, multiple new shades for pillars and tapers, and many more illuminating additions...

A Handcrafted Journey

We take great pride in the craftsmanship behind each of our candles. Carefully handcrafted by our skilled team, every candle is made with virgin paraffin wax, a natural material with distinct qualities. As a result, each candle is beautifully one-of-a-kind.

We pay meticulous attention to every step of the creation process, and we invite you to treat each piece with the same care. Enjoy!

Signature Flicker™

Uyuni Candles blend timeless elegance with cutting-edge functionality. Featuring a unique 3D flame and our Signature Flicker™, they provide a luxurious look and feel. With remote control convenience, you can easily adjust the brightness or switch them on and off to suit any mood. With multiple timer options ranging from 4 to 10 hours, you can set the ideal ambience for any occasion.

With the added convenience of controlling all your candles at once, you can effortlessly create a serene atmosphere with just a touch. Enjoy the freedom to adjust the glow and settings from anywhere in the room.

Uyuni Lighting offers batteries designed to pair perfectly with every candle in the collection. Engineered for lasting performance, they keep each light shining brighter for longer. The range now includes a Rechargeable Insert AA for Taper Candles and a Rechargeable Insert C for Pillar Candles, an effortless and eco-friendly alternative to single use batteries and designed for modern living.

Layered Light & Paper Forms

Paper LED Mistletoe / Vanilla / UL-40001

The Ceramic Dome, crafted from matte ceramic, features a delicately perforated surface that allows the light to pass through, creating an expressive, patterned candlelight effect. Paired with one of Uyuni Lighting's Tealight Candles, it adds a soft, decorative layer of lighting to the table and surrounding space.

TOP: Paper LED Stars / Vanilla / UL-40010

Tealight 400 / White / UL-TE-WH39PR

The new Paper Ornaments are crafted from carefully selected paper with a refined texture and lightweight yet durable quality, giving each piece a delicate and sophisticated expression. Inspired by familiar seasonal elements such as mistletoe and other timeless festive shapes, the collection brings a sense of warmth and tradition into a contemporary setting.

The carefully folded paper creates a soft interplay of light and shadow, adding depth and character to the ornaments. Designed to be hung or styled throughout the home, they offer an elegant and understated way to create a cohesive festive atmosphere with a focus on materiality, craftsmanship, and timeless seasonal design.

Sage Green, Soft Hues

A calming blend of nature and elegance, the new Sage Green hue in the Uyuni Taper and Pillar range brings a soft, earthy sophistication to any space. The muted green tone adds depth without overpowering, making it perfect for both modern and classic settings. Paired with the Uyuni Lighting Signature Flicker™ and smooth wax finish, Sage Green offers a refined, serene ambiance for everyday living or special occasions throughout all seasons.

To Outdoor

The new Mega Tealight Candles, our largest Tealight design, offer a refined yet impactful expression of light in a compact candle form. Despite their size, they deliver a steady, reliable glow, bringing warmth and ambiance into the home. Versatile across interiors, they can also be paired beautifully with the small Upside Down Lantern, adding a sense of lightness and atmosphere to both indoor and outdoor settings.

Tapered Tables

The Striped Taper offers a refined take on the Classic Taper Candle, with a delicate stripe pattern that adds subtle depth and texture. Paired with the new Pearl Taper, the collection brings a sophisticated mix of finishes to modern table styling.

The Pearl finish features a soft, reflective surface that beautifully catches and reflects the light, enhancing the candle’s warm and elegant glow. Crafted from smooth virgin paraffin wax and finished with Uyuni Lighting Signature Flicker™, each candle creates a natural-looking ambience. Compatible with AA batteries, providing up to 400 hours of battery life, or a rechargeable insert, they offer a flexible and elegant lighting solution for both everyday dining and special occasions.

Don't forget the Batteries...

Significant advancements have been made to the battery life of our candles. The Mini Tapers (featured here) with AAAA batteries now last approximately 150 hours, while the new outdoor pillars with D batteries now last approximately 2500 hours - that's an entire year when used on a timer for 6 hours per day! Pillar candles last approximately 1000 hours with C batteries, and tealights last approximately 400 hours with CR2477 batteries.

* Excludes some Tealight Candles, Outdoor Collection and Christmas Mini Tapers

PLEASE NOTE

- All candles' height dimensions exclude the 2,8 cm/1.1" LED Flame
- We recommend using Uyuni Lighting batteries for optimal performance
- As all our wax candles are handmade, each of them should be considered unique - Consequently, slight variations in colour and structure may occur
- Wax candles are always receptive to subtle surface marks, which are more visible on coloured candles
- Wax candles should not be stored or used at temperatures lower than 1°C or above 35°C
- The Uyuni Outdoor Candles should not be stored or used at temperatures lower than -10°C or above 40°C
- Information in this catalogue is subject to change without notice
